

Sequester Request Form

Request to withhold public release of the following graduate dissertation or thesis without a patent.

Sharing research with others in your field is an important component of scholarly work. By requesting this delay in the release of your work, you are withholding your research from the community. Therefore, we ask that you complete in detail the justification for this delay for a period of up to one (1) year. Print, sign, and submit this request form per the instructions below.

Student Author: _____

Title: _____
