Sharing research with others in your field is an important component of scholarly work. By requesting this delay in the release of your work, you are withholding your research from the community. Therefore, we ask that you complete in detail the justification for this delay for a period of up to one (1) year.

**Sign and submit this request to the Associate Dean of the Graduate School**

Student Author: ________________________________

Title: __________________________________________

Program: __________________________________________________________________

Thesis _______ or Dissertation ________

Student Email Address Post-Graduation: __________________________

Graduation Term: __________________________

Student ID #: __________________________

Today’s Date: __________________________

Please provide adequate context for the embargo request and a clear rationale that explains why the embargo is necessary. If a publication policy restricts the release of material, screenshot or link to the publisher’s verbiage that proves the need for this request. If the delay is needed to apply for a patent, please include an invention report number or date submitted to the Office of Technology Transfer.
